- These overlays are created using the Pause style.

# Make Titles Informative. Use Uppercase Letters. Frame subtitles are optional. Use upper- or lowercase letters.

- Use Itemize a lot.
- Use very short sentences or short phrases.
- These overlays are created using the Pause style.

- You can also use overlay specifications to create overlays.
- This allows you to present things in any order
- This is shown second.

- You can also use overlay specifications to create overlays.
- This allows you to present things in any order.
- This is shown second.

- You can also use overlay specifications to create overlays.
- This allows you to present things in any order.
- This is shown second.

- Untitled block.
- Shown on all slides.

#### Some Example Block Title

- $e^{i\pi} = -1$ .
- $e^{i\pi/2} = i$ .

### Summary

- The first main message of your talk in one or two lines.
- The second main message of your talk in one or two lines.
- Perhaps a third message, but not more than that.

- Outlook
  - What we have not done yet.
  - Even more stuff.
